Please explain "Yes" answers in the space below, noting the countries visited and dates of travel.	e number of the questions. For travel outside the country, please name				
Diet and Nutrition: ☐ This camper eats a This camper eats a This camper is glue. ☐ This camper eats a regular diet. ☐ This camper is glue.					

Mental, Emotional, and Social Health: Has this camper 1. Ever been treated for Attention Deficit Disorder (ADD) or Attention Deficit/Hyperactivity Disorder (ADHD)?	2025	Camper Name:	Trip #	Session
1. Ever been treated for Attention Deficit Disorder (ADPL)? Attention Deficit/Hyperactivity Disorder (ADHD)?	Mental, Em	otional, and Social Health: Has this camper		
This camper has no known allergies. This camper is allergic to: Food Medicine The environment (insect stings, iodine, etc.) Other Severe Anaphylaxis Plan: If the camper has a history of severe anaphylaxis, helshe is expected to bring epinephrine dose/s to camp. Two epi pens should accompany the camper at all times in remote areas. Please describe below what the camper is allergic to and the reaction seen. Note date and treatment of latest reaction. Medications This camper takes no regular medications. This camper regularly takes the following medications. Please provide information below as indicated. Medication Dose (amount taken) Frequency (how often) Reason	 Ever been During the Had a sign (History or Please explanation	treated for emotional or behavioral difficulties or an eating disorder? e past 12 months, seen a professional to address mental/emotional health conficient life event that continues to affect the camper's life? f abuse, death of a loved one, family change, adoption, foster care, new sible ain "Yes" answers in the space below, noting the number of the questions	oncerns? ing, survived a disast	ter, etc.)
This camper takes no regular medications. This camper regularly takes the following medications. Medication Dose (amount taken) Erequency (how often) Reason What Have We Missed? Is there anything else the Laketrails staff should know about this camper that would be helpful in providing a great Base Camp and wilderness experience? Parent/Guardian Authorization for Health Care and Acknowledgement of Risk: This health history is correct and accurately reflects the health status of the camper described here. This person has permission to engage in all camp activities unless otherwise noted. I authorize Laketrails Base Camp staff to give reasonable first aid and administer over-the-counter medications as necessary. I give permission to the physician selected by the camp to provide emergency treatment including, but not limited to X-rays, routine tests and treatment, and/or hospitalization if necessary. I also give permission for the camp to arrange related transportation. I agree to the release of any records necessary for treatment, referral, billing, or insurance purposes. In the event of an emergency, if I cannot be reached, I give my permission to the physician to hospitalize, secure proper treatment for, and order injection, anesthesia, or surgery for my child. It is my intention that the camp be treated as "personal representatives" for the purposes of disclosing protected health information pursuant to current privacy regulations and HIPA laws. I understand that although Laketrails Base Camp has taken reasonable steps to provide participants with appropriate training, equipment, and skilled staff for this outdoor experience, I acknowledge that some inherent risks cannot be eliminated without destroying the unique character of the activity. Such risks include, but are not limited to those associated with canoeing, portaging, backgoking, cooking over an open fire, encountering wild animals, and other components of wilderness travel. I acknowledge and accept these risks of participation in the Laketrail	☐ This ☐ This * <mark>Se</mark> to camp.
